Message of HOPE from Outgoing Board President Fernando Egea

As we present the JOURNEYS | The Road Home 2021-22 Annual Report and look forward to 2023 and beyond, I was asked to write the Message of Hope. Given my desire to talk about the data, I was leaning to bullet everything great we have done as an organization, but that is already presented in this report. No need to duplicate efforts. At the same time, I have decided that while I will remain on the Board, I will step down as Board President as we are at a monumental transition point where JOURNEYS needs fresh, new leadership to take us into the future. Therefore, I decided to look back over the years of my tenure as the Board President. Keep in mind, I strongly believe that “A leader is only as good as their team.” Everything we have done, all the great accomplishments throughout the years, was not due to me as the Board President. No. All accolades are given to the JOURNEYS “team,” the amazing staff, the all-caring Board, and the tireless volunteers.

What happened during my “journey” as the Board President?

<p>March 2016 Named Board President I immediately ask for help. How do I conduct meetings? What are the rules? Who will take notes? Beth sends me the By-Laws and Norene explains Robert’s Rules. Without them, I would still be lost.</p>	<p>October 2016 Acquired minibus With our transportation goal met, JOURNEYS now has the ability to transport clients freely. Acquiring the minibus also becomes the catalyst for our next big goal for JOURNEYS.</p>	<p>December 2016 A Turning Point I am asked, “Why doesn’t JOURNEYS have a permanent PADS site?” A good question.</p>	<p>January 2017 Building for Hope begins As Board President, it is my intention to do something great. Why not a permanent PADS site? The Board, staff, and volunteers are strong. The team is strong. It is the right time.</p>	<p>2018 Building for Hope begins its soft campaign At that time, our goal is a three-story building at a cost of \$8.2M. It is a stretch, but I am confident we can accomplish it.</p>
--	--	---	--	--

<p>2019 We raise 60% of our goal, but it is still not enough to move to the next phase, the actual build.</p>	<p>January 2020 It's time to go for it. The remainder of the donations will be collected once we announce our Capital Campaign in February 2020.</p>	<p>February 2020 Things are in motion! Our first-ever Leap Into HOPE event! We publically announce the new Capital Campaign.</p>	<p>March 2020 COVID-19 hits What happens now? Will we be able to raise what is needed? Do we wait until the pandemic is over? Do we cancel? Do we pivot?</p>	<p>March-April 2020 Mobilizing our team Our staff goes into action, arranging hotel stays for our clients as PADS sites shut down, organizing the volunteers to begin making meals for delivery (with over 200,000 meals delivered!), and ensuring all staff remained safe by implementing and enforcing CDC guidelines.</p>
---	--	--	--	--

<p>May-June 2020 We decide to pivot. Building for Hope was too critical for the needs of our clients. We need to do what we can do. The building is redesigned, and we move forward.</p>	<p>November 2020 Virtual Bid for HOPE Prior to this event, we do not even think it was going to be held. But the team puts together, in my opinion, one of the best “at home” events. I still smile when I think of that event.</p>	<p>September 2021 Enduring the pandemic Our focus has to be on COVID and how to serve without endangering the health of our clients and staff. It only takes one statistic to highlight how successfully the staff handles COVID: as of September 2021, JOURNEYS only experiences THREE POSITIVE COVID cases. Amazing!</p>	<p>November 2021 In-person Bid for HOPE Not knowing what to expect, we are apprehensive about the turnout. What happens is a surprise to everyone. The outpouring of attendees and donations exceeds all expectations. To that, I thank you, the reader, the donor, the one that helps us do what we need to do.</p>	<p>April 2022 Breaking ground We make it! We break ground. It is happening! Here is where I want to say a special thanks to John Kenney – thank you John, and all past Board Members, for all the work and time you put into this initiative.</p>

Building higher

As I drive by the HOPE Center, I see this building being constructed behind it. I cannot believe it is there. We did it!

Message of HOPE from Outgoing Board President Fernando Egea

In conclusion, I want to thank you all for (1) enduring my timeline above and (2) being the type of people who do something. Whether it is donating money, time, food, clothes, etc., you chose to do something for those who need hope. Your decision is the hope our homeless and at-risk friends need. It is why, when Beth asked, “Do you want to be President?” I immediately said, “Yes.” **Thank you!**

To the current Board and previous Board members, I am just the guy who sits up front and thinks he runs the meeting. Your commitment and enthusiasm to JOURNEYS inspires me to do better. You all made my job easier. I am grateful to be your Board President. **Thank you!**

To the JOURNEYS staff, all I can say is “WOW!” Seriously, what you do under the circumstances presented is breathtaking. You are making a difference. You are directly impacting the life of a fellow human being by making it better. You are the ones delivering that hope. I will never stop being amazed at the work you do nor stop talking about it to others who ask about JOURNEYS. **Thank you!**

To Beth Nabors, your leadership is why JOURNEYS is where it is today – successful! Thank you for everything you do with the enthusiasm you give everyday to JOURNEYS. I have learned a lot from you and look forward to learning more. **Thank you!**

A handwritten signature in black ink that reads "Fernando Egea". The signature is written in a cursive, flowing style.

P.S. I have yet to understand Robert's Rules.

Demographics in Context: the Potential Effects of COVID-19

The COVID-19 pandemic has had effects not only on JOURNEYS' day-to-day operations, but also on the number and demographics of our clients. The graph on the opposite page illustrates data from our **last five fiscal years**. It compares JOURNEYS' **total clients** to the number who are **experiencing homelessness** versus those who are **at risk of homelessness**.

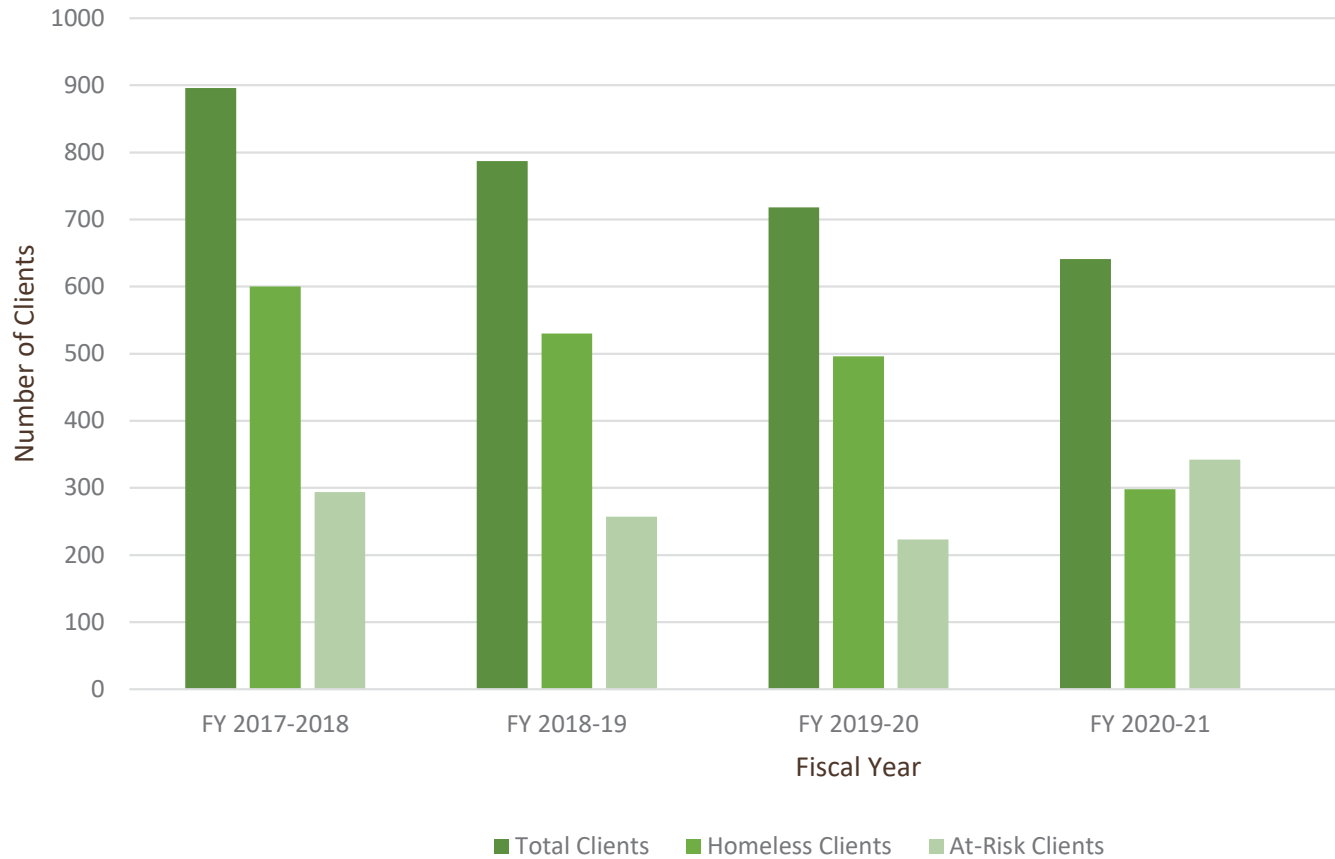

Between Fiscal Year 2017-18 and Fiscal Year 2020-21, our total number of clients gradually decreased, and the number of homeless clients and at-risk clients decreased more or less in proportion between FY 2017-18 and FY 2019-20.

Fiscal Year 2020-21, however, while indicating an **overall decrease in the number of clients** (almost certainly due to the limitations brought on by COVID-19), also shows an **increase in at-risk clients to homeless clients**. The past fiscal year illustrates a client total that not only returned to pre-pandemic numbers, but also exceeded the total number of clients for the past four years. **Despite this return to pre-pandemic numbers, the proportion of homeless clients to at-risk clients has not returned to its pre-pandemic levels**. Previous years have shown a larger number of homeless to at-risk clients, while Fiscal Year 2021-22 shows an **even divide between these groups**.

It is also worth noting that **food assistance in particular has seen a substantial increase** since the effects of the pandemic became visible in our yearly data (FY 2020-21). During the pre-pandemic years of the last five, food assistance was highest in **FY 2017-18 at 926 instances**, while the **past fiscal year saw at total of 1,451 instances**. While the data do not substantiate a long-term correlation between the proportion of clients at-risk of homelessness to food assistance administered, the data do suggest such a correlation since FY 2020-21 and the significant increase in at-risk clients.

We cannot claim with absolute certainty that the COVID-19 pandemic is the cause of these changes in our demographics and services. However, the pandemic has undoubtedly made JOURNEYS stronger and proven that **we are a resilient community empowered by its people and sustained by partnership**.

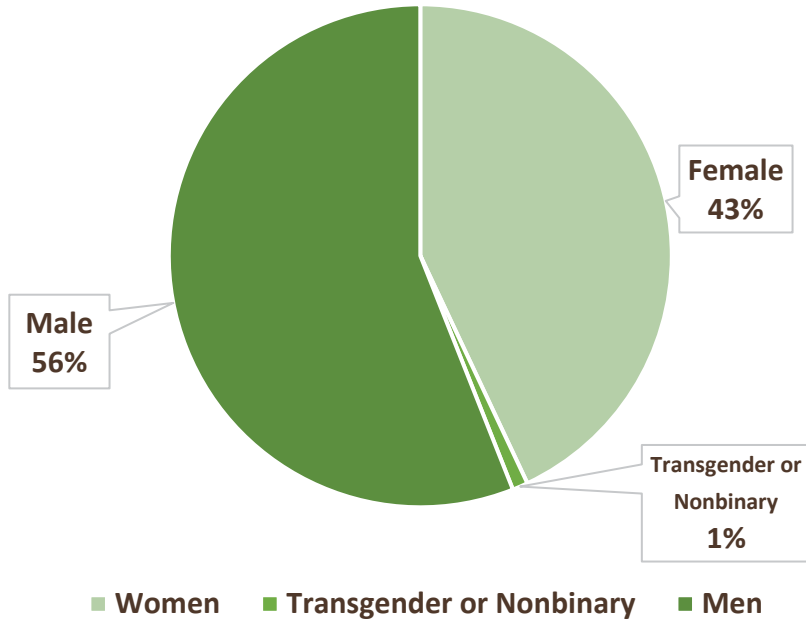

Total Clients in Relation to Proportion Homeless or At-Risk

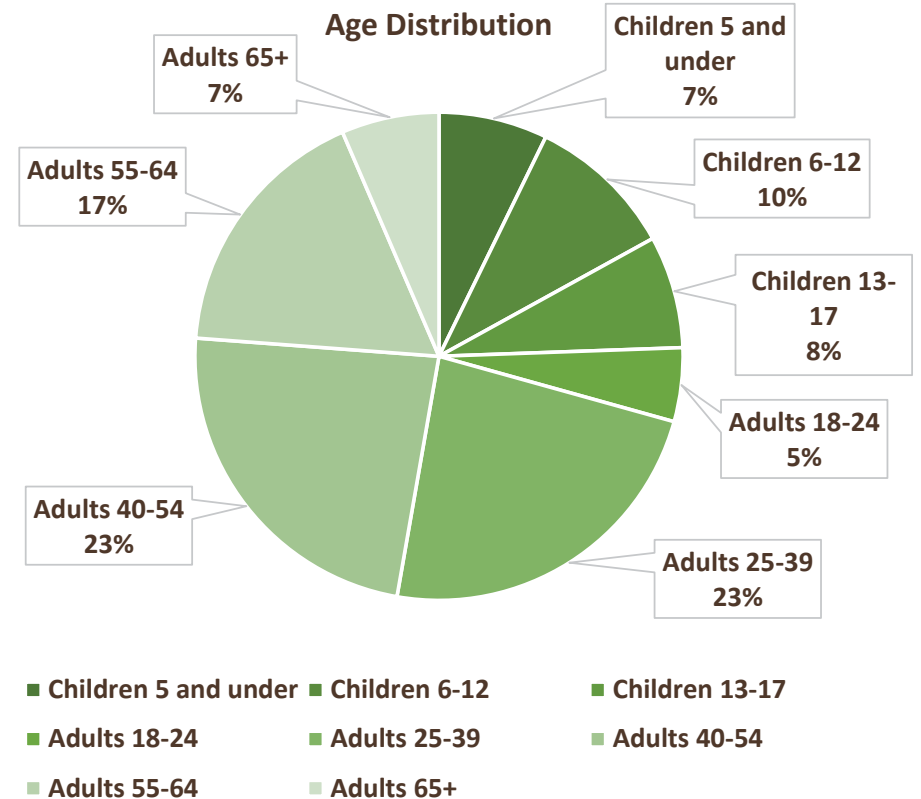

Who do we help?

Our clientele is incredibly diverse, and JOURNEYS clinical staff are always ready to adapt to the needs of each client. Each day is different here at JOURNEYS, just as each client has different experiences they bring with them through our front doors.

Gender Identity

Age Distribution

274 Clients

Survived Domestic Abuse.

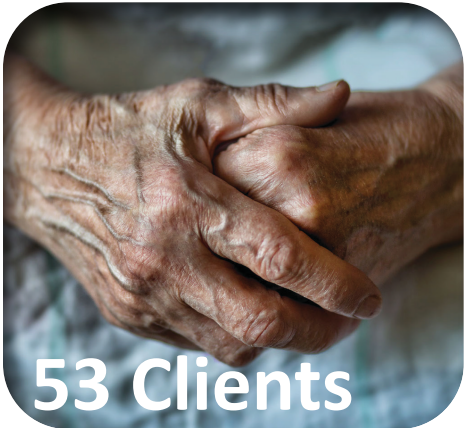

482 Clients

Have a Disabling Condition.

20 Clients

Are Military Veterans.

53 Clients

Are 65 and older.

62 Clients

Are Under 5 Years Old.

Homelessness can affect anyone, but many of our clients belong to particularly vulnerable groups. As our numbers continue to rise after a drop during the height of the pandemic, the percentage represented by each group has remained largely the same, with the exceptions of survivors of domestic abuse and clients with disabilities. Since last year, the former has risen 6%, while the latter has declined 4%.

The HOPE Center

The HOPE Center is the hub of JOURNEYS' day-to-day work. At the HOPE Center, clients can get access to a number of services and necessities, including:

- Hot meals
- Seasonal necessities
- Self-service laundry
- Mailbox
- Food pantry packages
- Clothing closet
- Showers
- Primary medical care
- Referrals to doctors and specialists
- Lockers
- Transportation
- Food and gas vouchers
- Wrap-around social services
- Intensive case management
- Vocational counseling
- Mental health counseling
- Housing assistance
- Outreach services
- Budgeting and financial counseling
- Resume design, interviewing, and computer skills

Emergency Hotel Shelter Program

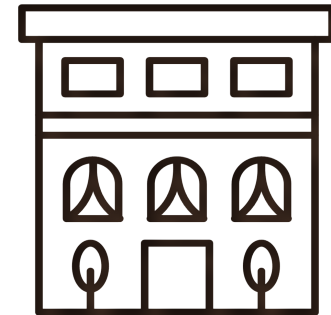

The COVID-19 pandemic presented unique challenges to JOURNEYS' operations beginning in March 2020. Since then, JOURNEYS began moving clients into local hotels in order to better protect clients from exposure to the virus.

This past fiscal year, we have maintained the Emergency Hotel Shelter Program with wonderful success. Faith communities and local businesses continue to provide meals to our clients, which are transported by our bus drivers, Bob and Bruce.

PADS Shelter Program

This past winter and spring, we were able to reintroduce the PADS Shelter Program with limited capacity at First Presbyterian of Arlington Heights, Congregational United Church of Christ, and St. Alphonsus Liguori. We were also able to open the HOPE Center as a PADS site beginning in March.

We are lucky to have had such committed faith-community partners during a time when the COVID-19 pandemic made opening shelters a much more difficult and complicated process. We are looking forward to partnering again with these congregations for the coming PADS season and hope for renewed partnerships with more faith communities.

Community Involvement

We rely on our community. As JOURNEYS adapts to a world recovering from the pandemic and prepares for major changes, our community has provided support to JOURNEYS staff and clients every step along the way. Local businesses, community organizations, and motivated, compassionate individuals alike have stepped up to the plate to ensure that the JOURNEYS' mission endures year-round.

Thank you for your hard work and generosity!

JOURNEYS | Works Together.

Volunteers

Our volunteers drive JOURNEYS' operations. Whether they are working at the front desk of the HOPE Center, serving meals, sorting clothing and food, staffing a PADS site, or helping to run an event, our volunteers make things happen. JOURNEYS volunteers deliver compassionate and efficient service to our clients every day.

This year JOURNEYS has recruited and gotten to know many new volunteers. Our HOPE Center volunteers provide outstanding and compassionate service to our clients, making them feel welcome and comfortable, while our volunteers in the clothing closet and food pantry ensure that our items are organized and ready for our clients to use.

We're always in need of more volunteers, especially as we transition from our Emergency Hotel Shelter Program back to PADS sites this fall.

Signature Events

JOURNEYS has been so lucky to bring back more of our in-person events this year! Bid for Hope was in-person for the first time since the pandemic, and we were excited to bring back both Leap Into HOPE and the Women's Luncheon for the first time since 2020. The Superhero 5K gathered heroes big and small to help fight homelessness!

Building *for* Hope

Support

Shelter

Stability

This year has seen a flurry of construction progress. Since the spring, our new building has transformed right in front of our eyes. Power Construction has worked tirelessly to build the new 24-hour facility, which will provide comprehensive services and programs to help our clients on their journeys toward or maintaining permanent shelter. Additionally, it will feature shelter for men, women, and families on the second level, as well as permanent, affordable apartment units.

We are so excited to serve and grow alongside our community, and we are eager for the next chapter in JOURNEYS' story. We hope that with our new building, we will be able to serve more clients more effectively.

We thank our community for their partnership and indefatigable support of the Building for Hope project and JOURNEYS' mission. Take a look at the opposite page to see a progression of construction over the last few months!

2021/22 Donors

On behalf of JOURNEYS' clients, staff, board of directors, and volunteers, we acknowledge the generosity of the following individuals, families, organizations, faith communities, government agencies, foundations, and businesses that have made a positive impact on the lives of others through their support. This list does not include the thousands of volunteers and community members who have made in-kind donations of time and goods. The agency regrets the omission of any individual or organization.

If you are purchasing items from Amazon, don't forget to use AmazonSmile and choose PADS to HOPE, Inc. Tax ID number of 36-3919018. Amazon will donate 0.5% of your eligible purchases. There is no cost to charitable organizations or to AmazonSmile customers.

Get Involved!

We need our community in order to thrive. Your support changes lives, providing essential items and services to people experiencing homelessness and those at risk of homelessness. Our donors know the joy and impact of giving to such an important cause. There are so many ways to get involved, and we invite you to support JOURNEYS in whatever way suits you best.

Direct Donations

Make a monetary donation securely online or by mail. Donations can also be made in honor or in memory of someone special. You can make in-kind donations through our Amazon Wishlist or by dropping items off at our facility.

Fundraising

Support our fundraising events or host one of your own!

Workplace Giving

Designate JOURNEYS as your charity of choice through your employer, or get involved as a workplace community by volunteering your time at our HOPE Center or PADS sites.

Volunteering

Donate your time, talents, and skills.

Employ Our Clients

So many of our clients are eager to get to work!

Engage Your Community

Organize your faith community, club, or business to host a drive or fundraiser.

We hope you will join us in our mission
and commit to ending homelessness.
