A Record Year for JOURNEYS

The 2022-23 fiscal year was a rousing success for JOURNEYS | The Road Home! This year, we moved into our brand new building which allows us to serve more clients in a more effective way. This past fiscal year, JOURNEYS was able to get **181 people out of homelessness!**

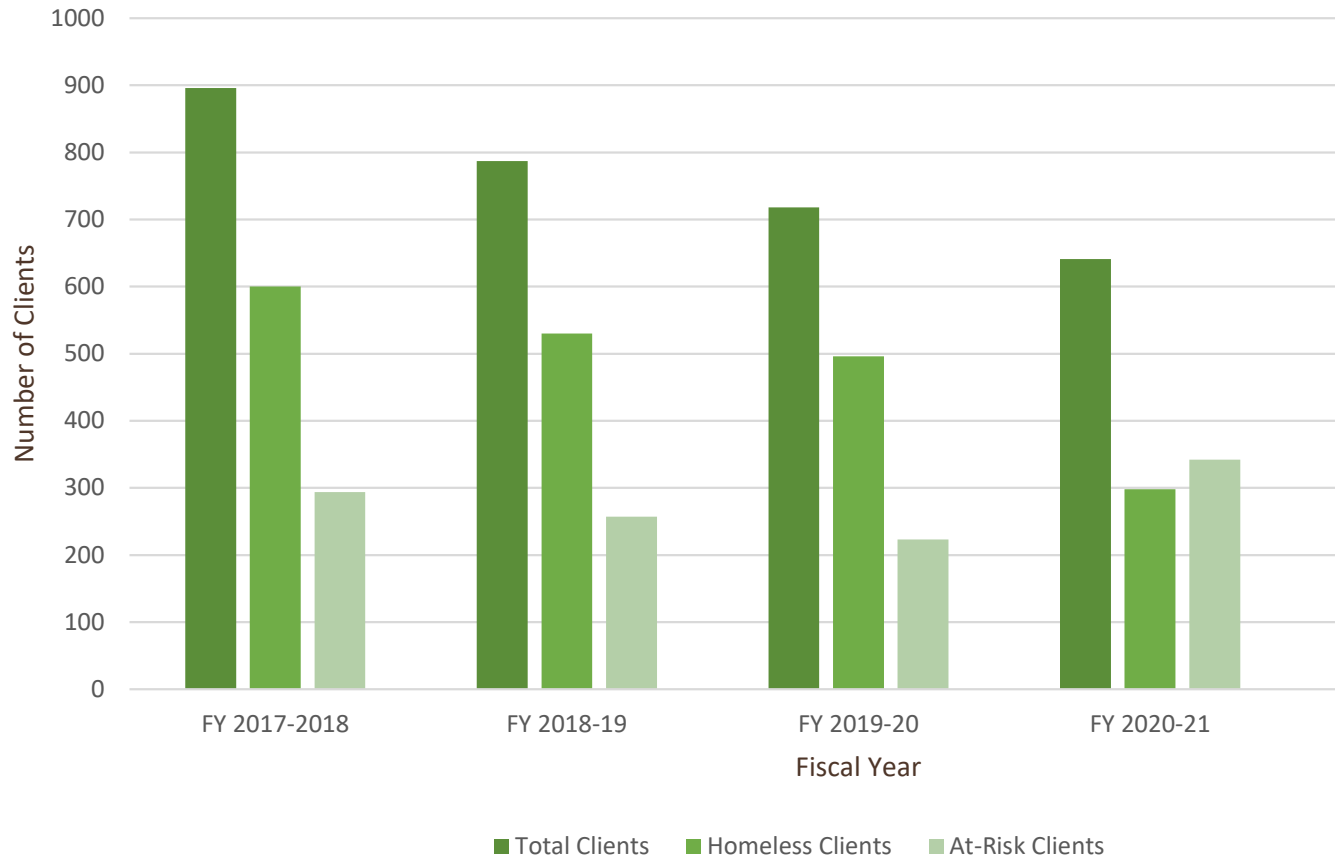

After a slight drop-off in clients before the COVID-19 pandemic hit, clients have steadily increased every year since 2020-21. In fiscal year 2021-22, we served 639 clients. This year, we served **936 clients, boasting a 47% increase in clients served!**

Our 936 clients utilized 50 unique services at the HOPE Center this fiscal year, with a total of **15,843 individual services provided.** The most common service used was **long-term case management at 5,890.** Among our most common services are housing counseling (3,150), showers (1,464), and street outreach programs (1,373).

Another extraordinary aspect of this year was the opening of our brand new building, the second floor of which is dedicated to our new **Interim Housing Program**, launching November 1, 2023. With this new shelter program, and the relaunch of our PADS Shelter Program on October 1st, we look forward to further serving the community! **Here's to another amazing year filled with HOPE!**

Emergency Hotel Shelter Program

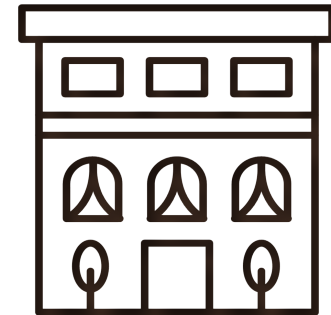

The COVID-19 pandemic presented unique challenges to JOURNEYS' operations beginning in March 2020. Since then, JOURNEYS began moving clients into local hotels in order to better protect clients from exposure to the virus.

This past fiscal year, we have maintained the Emergency Hotel Shelter Program with wonderful success. Faith communities and local businesses continue to provide meals to our clients, which are transported by our bus drivers, Bob and Bruce.

JOURNEYS' Shelter Programs

This coming October, we will be relaunching our PADS Shelter Programs. After a few years of shakiness due to COVID-19, we are now able to continue providing overnight shelter to those we serve. We're so lucky to have so many dedicated faith-communities in the area willing to open their doors to our clients and provide them with warm shelter and a hot meal! We can't wait to work with them again!

In November of this year, we will be launching our Interim Housing Program on the second floor of our building. This brand new housing program is unlike any shelter program in the area, and will operate similar to a PADS site, but will be reserved for special populations of clients who might have difficulties accessing/qualifying for the PADS sites in the area.

JOURNEYS in the Community

In July, NBC 5 released their special documentary, Homeless Youth: An Invisible Crisis. This documentary explores the issues of homelessness in Chicago and the surrounding suburbs. As a part of their deep dive, they stopped by our facility to interview our Director of Development, Suzanne Ploger about JOURNEYS, the services we provide, and how the community can get involved. We're super proud of her! You can find the link to the full documentary on our website!

A cornerstone of JOURNEYS' mission is the involvement with the community we serve. We can't impact the community if they can't impact us after all! We cannot thank all the small businesses, organizations, congregations, and individuals in the area for the continuous support! We couldn't do what we do without them!

Volunteers

JOURNEYS would be lost without our fantastic volunteers. Whether they are working at the front desk of the HOPE Center, serving meals, sorting clothing and food, staffing a PADS site, or helping to run an event, our volunteers make things happen. JOURNEYS volunteers deliver compassionate and efficient service to our clients every day.

This year JOURNEYS has recruited and gotten to know many new volunteers. Our HOPE Center volunteers provide outstanding and compassionate service to our clients, making them feel welcome and comfortable, while our volunteers in the clothing closet and food pantry ensure that our items are organized and ready for our clients to use.

We're always in need of more volunteers, especially as we launch our Interim Housing Program this November, and relaunch our PADS program in a few short weeks.

Signature Events

We had another fantastic year of events that brought together so many amazing people and raised awareness and funds of JOURNEYS and our mission!
